Submission On: Proposed Regional Land and Water Plan

Name: *[Full Name]* William John McCook.....

Address: *[Full Postal Address]*.. 131A Hamilton Avenue,
Christchurch 8041

1. The specific provisions of the Proposed Plan that my submission relates to are as follows:

Proposed Lake Brunner Catchment Objectives, Policies and Rules

2. My submission is that: *[State in summary the nature of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons.]*

I support the proposed Lake Brunner Catchment objectives as I have personally used the Lake for over 30 years and have observed significant loss of water clarity as a consequence of contaminants entering the lake. Further water quality deterioration must be stopped, and steps to improve water quality implemented.

3. I seek the following decision from the West Coast Regional Council *[give precise details]:*

Implement the proposed Lake Brunner Catchment Objectives Policies and Rules as drafted. I would also support other proposals which would accelerate progress in improving water quality in Lake Brunner

4. I do not wish to be heard in support of my submission *[delete one]*.

5. If others make a similar submission I would not be prepared to consider presenting a joint case with them at any hearing *[delete one]*.
