

Appendix 1 Consents applied for and Activity Status

Appendix 2 Objectives, Policies and Statutory Evaluations

- NZ Coastal Policy Statement
- West Coast Regional Policy Statement
- Regional Air Quality Plan
- Proposed Water Management Plan
- Proposed Regional Land and Riverbed Management Plan
- Buller District Plan

Appendix 3 Evaluation of Draft Conditions

- General
- Construction
- Operational

Appendix 4 Section 92 Requests and Information Received from Applicant

Council request No. 1 (Cover)

Meridian response No. 1

- 1.0 - Review of Resource Consent Applications and AEE**
- 2.0 - Review of Aquatic Ecology and Water Quality Technical Reports**
- 3.0 - Review of Archaeology Technical Report**
- 4.0 - Review of Coastal Process and Sediment Transport Technical Reports**
- 5.0 - Review of Hydrology Aspects**
- 5.0 Review of Dam and Reservoir Engineering**
- 6.0 - Review of Hydrology**
- 7.0 - Review of Natural Hazards Assessments Technical Reports**
- 8.0 - Review of Recreation and Tourism Assessment of Effects**
- 9.0 - Review of Social Impact Assessments**
- 10.0 - Review of Terrestrial Ecology Technical Reports**
- 11.0 - Review of Traffic and Rooding Assessments**

Attachments A - N

Council Request No. 2 (Cover)

Meridian response No. 2

- 2.0 - Review of Aquatic Ecology and Water Quality Matters**
- 3.0– Archaeological, Cultural and Historic Heritage Matters**
- 4.0 - Review of Coastal Processes and Sediment Transport matters**
- 5.0 - Review of Engineering Matters**
- 8.0 - Review of Recreation and Tourism Matters**
- 13.0– Economics**

Attachments A - C

Appendix 5 Technical Review Reports

1. Review of Archaeology Technical Report
2. Review of Aquatic Ecology and Water Quality Technical Reports
3. Review of effects of Avifauna
4. Review of Coastal Process and Sediment Effects
5. Review of Assessment of Economic Effects
6. Review of Dam and Reservoir Engineering
7. Review of Engineering Risk Aspects
8. Review of Hydrology Aspects
9. Review of Social Impact Assessments
10. Review of Terrestrial Ecology Technical Reports
11. Review of Landscape, Visual and Natural Character Effects
12. Review of Natural Hazards Assessments Technical Reports
13. Review of Recreation and Tourism Assessment of Effects
14. Review of Effects on Sediment
15. Review of Traffic and Rooding Assessments
