I/we oppose the application numbers ticketed on the back of this form

My/our submission is that: I oppose the construction of a dam on this site as it will destroy an area of incomparable beauty and of significant ecological importance with old growth forest & many native species of plants + animals. The Pack Track up the Mokihinui River is of historical importance & the river has great tourism potential for fishermen and recreational uses. It should be left as it is & Meridian & the rest of us should find less damaging ways to generate our energy.
