I/we **oppose** the application numbers ticketed on the back of this form

(tick one)

My/our submission is that: the proposal would have a negative effect  
(state in summary the nature of your submission. Clearly indicate whether you support or oppose  
on the environment which far outweighs any potential  
the specific proposal, or wish to have amendments made, giving reasons)  
benefits. A river of this purity should be revered, not  
modified. I find the proposal offensive.

I/we seek the following decision from the Local Authority: \_\_\_\_\_

(give precise details)

I wish the proposal to be completely rejected, on the grounds that it desecrates one of the planets most precious assets - a clean flowing river. I wish the council to investigate methods of power generation that do not involve destroying our core values.
