 I/we oppose the application numbers ticked on the back of this form

The reasons for my/our submission are as follows (further information attached (tick for yes))
 [State in summary the nature of your submission, giving reasons]

I oppose the construction of a dam on this site as it will destroy an area of incomparable beauty & of significant ecological importance with old growth forest & many native species of plants & animals. The Pack Track up the Mokihinui River is of historical importance & the river has great tourism potential for fishermen & recreational uses. It should be left as it is & Meridian & the rest of us should find less damaging ways to generate our energy.
