I/we support the application numbers ticked on the back of this form (tick one)

I/we oppose the application numbers ticked on the back of this form

The reasons for my/~~our~~ submission are as follows (further information attached (tick for yes)
[State in summary the nature of your submission, giving reasons]
I'm a whitewater kayaker who wishes to paddle the Mokihinui, at grade 4-4+ it is beyond my ability at present. Given another 6 months of training, I look forward to a challenging kayak trip down a river which I've heard to be visually beautiful. I need 6 months, and needless to be vain, I know quite a few other kayakers, less skilled who need longer. I don't want to miss out!

I/we wish the consent authority to make the following decision [Give details, including the nature of any conditions]
Do not dam the Mokihinui River. The amount of power generated from the proposed dam will never make up for the destruction to such a precious piece of land. Why not use solar power? electricity is always going to be in demand as population increases. Solar power is a money maker but it is mostly sustainable and won't turn our beautiful backyard into a supersized skatepark.

Use the tick boxes below to indicate the resource consent applications your submission concerns.
