I/we support the application numbers ticked on the back of this form  (tick one)  
I/we oppose the application numbers ticked on the back of this form

The reasons for my/our submission are as follows (*further information attached (tick for yes)*   
[State in summary the nature of your submission, giving reasons]

My reasons for this submission is the increased erosion to the foreshore, the full length of my farm from Chatterbox Creek to the Mokihinui river. Also my concern of lack of sand and gravel to beaches north of Gentle Annie point to my farm at Old Man Rock. The lack of sand and mustering tracks would make it hard if not impossible to drive my cattle back to the Mokihinui which has been a stock track for over 100 years.

I/we wish the consent authority to make the following decision [Give details, including the nature of any conditions]

I wish that the authorities came up with a solution to prevent the rate of erosion north and south of the Mokihinui river. I wish that the authorities protect my mustering tracks north of the Mokihinui river to Old Man Rock.
