I/we support the application numbers ticked on the back of this form (tick one)
I/we oppose the application numbers ticked on the back of this form

The reasons for my/our submission are as follows (further information attached (tick for yes))
[State in summary the nature of your submission, giving reasons]

① Erosion I oppose the dam
The flow-on effect of the dam will precipitate the erosion already
occurring - my family farm is at Nikau and when the breakwater
was built at Westport (many years ago) this is what happened.
Since then hectares of land have been lost.

② Whitebait Habitat - will probably be destroyed. Will the whitebait
be able to migrate past the dam complete and if so will
they be able to migrate downstream again

I/we wish the consent authority to make the following decision [Give details, including the nature of any conditions]

- That meridian are responsible for further erosion protection
to the coastal areas surrounding Mokihinui.
- The meridian be responsible for further whitebait migration
studies
