I/we oppose the application numbers ticked on the back of this form

The reasons for my/our submission are as follows (further information attached (tick for yes)
[State in summary the nature of your submission, giving reasons]
we own a family bach at mokihinui - our children are the sixth generation to enjoy it. Coastal erosion as a result of the proposal may threaten directly our property and would definitely destroy the mokihinui mouth and welcome Bay, a fantastic recreational resource. Meridian needs to focus on reducing power consumption. we are concerned for the safety of a large number of children who use the river bed for fishing and swimming, with flow variations.

I/we wish the consent authority to make the following decision [Give details, including the nature of any conditions]
Not the resource consent not be granted to meridian energy for the purpose of constructing a dam on the mokihinui river.
