I/we support the application numbers ticked on the back of this form (tick one)
I/~~we~~ oppose the application numbers ticked on the back of this form

The reasons for my/our submission are as follows (further information attached (tick for yes)
[State in summary the nature of your submission, giving reasons]
I strongly object to WCRC - giving approval of RC-07150/1 -> RC07150/26
- I believe No Profit making Company - whether state owned or
otherwise has the right to consent leading to the mass
destruction of vegetation and landscape, plus mass
contamination of a pure unpolluted waterway.
The environmental impact and social impact resulting
from any approval is far to great to be considered-acceptable.
WCRC - Has a duty to preserve our Regions Wilderness,
and Rivers - land can never re-made - once its gone its

I/we wish the consent authority to make the following decision [Give details, including the nature of any conditions]
gone and as a rate payer of 15 years I would strongly
advise the WCRC to consider the long term consequences
of supporting this project. Seddonville rate payers
already live under flood threats - will not sleep any easier
knowing there's a 14km lake behind the next flood.
What compensation do these rate payers get - Maybe Meridian
energy should buy any properties objecting to this project,
