I/we support the application numbers ticked on the back of this form (tick one)
I/we oppose the application numbers ticked on the back of this form

The reasons for my/our submission are as follows (*further information attached (tick for yes)*
 [State in summary the nature of your submission, giving reasons]
That we do not object to the overall proposal of the dam, but
our business relies heavily on the work that we carry out
in the Mokihinui catchment Area and we have some serious
concerns that this proposal if approved could affect the
viability of our business - Helicopter Charter Keramea 2006.
We need it noted that we are an affected party and if the
building of the dam does adversely affect our business then
we need some assurances that Helicopter Charter Keramea
is compensated either directly or through work created by the dam.

I/we wish the consent authority to make the following decision [Give details, including the nature of any conditions]
to note that we are an affected party,
and we need some assurances that this will
not adversely affect our business.
