[Clearly indicate which parts of the application you support or oppose or wish to have amendments made to]

I oppose this wilderness area of the South Island having a hydro dam built in it.

I am opposed to a dam being built in this valley + the lake it would create.

① I oppose the power transmission lines from the site being built through the Mokihiini Forest.

3. The reasons for making my submission are:

[State in summary the nature of your submission, giving reasons]

The building of a dam will destroy a wilderness area, it will flood a wild gorge and replace it with a lake.

Wilderness areas need to be protected, not have dams build or natural rivers + destroying river gorges.

①. The transmission lines are visual pollution in the Mokihiini Forest.

4. I wish the consent authority to make the following decision:

[Give details, including the nature of any conditions sought]

Reject the proposal to build a dam on the  
makihirai River. This area needs protecting from this  
sort of environmental destruction.
