I/we support the application numbers ticked on the back of this form (tick one)
I/we oppose the application numbers ticked on the back of this form

The reasons for my/our submission are as follows (*further information attached (tick for yes)*
[State in summary the nature of your submission, giving reasons]

I strongly oppose any further destruction of New Zealand's natural environment. The Mokihinui River is a beautiful, peaceful and unique part of Aotearoa which deserves preservation for our native wildlife and future generations. To build a dam would cause irreparable damage and have a negative impact on climate change. There are plenty of places to put windmills for power generation, which I prefer ^{over} all other forms of generating electricity.

I/we wish the consent authority to make the following decision [Give details, including the nature of any conditions]

Please do NOT consent to any of these applications or future applications of similar nature. Please also advise Meridian Energy that they will face strong opposition to creating other Hydro schemes but I personally support wind generation. Thanks.
