I/we oppose the application numbers ticked on the back of this form

The reasons for my/our submission are as follows (*further information attached (tick for yes)*   
[State in summary the nature of your submission, giving reasons]  
Renewable energy is the future of New Zealand.  
As a frequent visitor to the West Coast, issues with  
security of supply to this region are well known to me.  
The Hydro Proposal would significantly improve security  
of supply.  
Additionally as a keen mountain-biker and trapper,  
I recognise the tremendous recreational opportunities afforded  
by the Scheme and a massive improvement in tourism opportunities.

I/we wish the consent authority to make the following decision [Give details, including the nature of any conditions]  
Grant full consent.
