re. MOKIHINUI HYDRO PROPOSAL

Dear Sir/Madam,

I wish to record my opposition to the above Application and hope that the affected Councils will similarly oppose it or "pass it in" to Government.

I have been privileged to visit many of our South Island Rivers and do not wish to see any more vanish into Canals or Ponds. I do not wish "to be heard"with respect to my opposition and do not wish to enter into dialogue by Phone or Post cf.the barage of Documents and CDs that I received when I opposed the Arnold River Canal.Nothing that you can say with reference to augment, mitigate or ameliorate(or any similar environmental newspeak) will assuage my concern for the future despoilation of lowland rivers.

Yours Faithfully,  
(RJ Goodliffe)
