My/our submission is that: (state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific proposal, or wish to have amendments made, giving reasons)

I support the proposal to build an extension to the seawall from Stafford St to Richards Drive. It will ensure protection to residential and commercial areas of Hokitika. The current seawall provides a good example, especially in times of storm, why a wall is effective providing protection. I have photographic evidence should it be required.

I/we seek the following decision from the Local Authority:(give precise details)

That the consents be granted as set out in the proposal by the West Coast Regional Council.
