I support the application of Resource consent to build sloping rock design sea wall extension Stafford Rd to <sup>and</sup> around the north side of groyne Richards Drive.  
Overview 3.1 current rock wall to be incorporated into sea wall extension  
" 3.6 do not agree to walking path inland of sea wall.  
due to security concerns  
planting plan in consultation please - within next 5 years completed.  
Consent for 15 years please build as soon as possible do not leave till 15 years to build thanks

I/we seek the following decision from the Local Authority:(give precise details)

to build the sloping rock design sea wall extension as in box above.

Further Note:  
As works ~~will~~ plan to start at Stafford Rd end it may be some time to get to Richards Drive. could some rocks be placed this end behind current ones as land is eroding inland of rocks thanks
