My/our submission is that: I oppose many aspects of this project.  
(state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific proposal, or wish to have amendments made, giving reasons)  
Visual pollution, noise pollution, drilling & blasting disruption to a small quaint community, excessive lighting, excessive vehicle movements, landscape destruction, extensive tunnelling into a small community, Granity Museum & Lyric Theatre disruption & stability issues. Environmental concerns re the storage of hazardous chemicals. Not impressed by the disruption of history / archaeological treasures.

I/we seek the following decision from the Local Authority: \_\_\_\_\_

(give precise details)

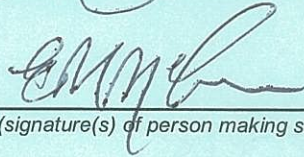

To review the disruption to a small community - Granity  
I Request the region for the tranquility & pleasure  
of an untouched region. How is the community  
benefiting from this large scale project. Overall  
I do oppose the total proposal by Hydro developments  
this is a money making exercise. My family  
are landowners in Granity, we see no community  
benefit !!
