

SUBMISSION ON AN APPLICATION FOR RESOURCE CONSENT UNDER SECTION 96 OF THE RESOURCE MANAGEMENT ACT 1991

TO: Buller District Council

Name of Submitter: Rosalie Sampson
[Full Name]

Address: 264 Umere Road R.D. 3 Kawamea
[Full Postal Address]

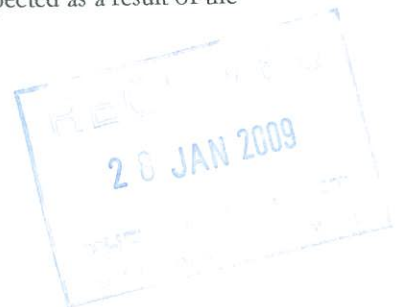

Application Number: RC08/131

1. I support the application by Hydro Developments for land use consents related to the construction, operation and maintenance of a proposed hydro scheme on the Stockton Plateau.
2. The particular parts of the application I support are:
All of the consents sought in the application.
3. The reasons for making my submission are:
 - The construction period for the hydro project is expected to last four to five years and will provide employment and economic benefit to the Buller District and West Coast Region.
 - The hydro proposal will significantly increase the West Coast regions electricity generation and will support the continued growth of industries and businesses within the Buller District and beyond.
 - The power will be embedded into the local transmission network thereby minimising transmission losses and reducing reliance on remote power generation.
 - Significant improvements to water quality in the Ngakawau River is expected as a result of the hydro scheme intercepting tributaries affected by acid mine drainage.
4. I wish the consent authority to make the following decision:
Grant all resource consents as applied for.
5. ~~I do wish to be heard in support of my submission.~~

I do not wish to be heard in support of my submission.
