**SUBMISSION ON AN APPLICATION FOR RESOURCE CONSENT UNDER SECTION 96 OF THE RESOURCE MANAGEMENT ACT 1991**

TO: THE WEST COAST REGIONAL COUNCIL

NAME OF SUBMITTER: Barrie Ernest Brown

 for a Stockton Plateau Hydro [State type of resource consent applied for]

 \_\_\_\_\_ [State proposal or activity of applicant]

I support the granting of all resource consent  
applications contained in the submission pack  
 \_\_\_\_\_  
 \_\_\_\_\_

3. The reasons for making my submission are:  
 [State in summary the nature of your submission, giving reasons]  
From Professor Gerry Carrington and Dr. Janet Stephenson  
article 'the Energy Revolution' published in the University  
of Otago magazine Issue 17 June 2007 Page 8. For every  
dollars worth of electricity you dont get costs the  
economy \$100, thats a ratio of 100 to 1.  
'Energy comprises 10 per cent of the economy but  
90 per cent of the economy depends on it.'  
Because of the distance from the generators at present trans  
mission losses add 30% per unit more than other areas  
Consequently people cut back on electricity and children, people  
with weakened immune systems and the elderly require medical  
and hospital care. Business relocate to the cheaper power.  
Costs attributed to the missing power I consider would reach  
that ratio of 100:1

4. I wish the consent authority to make the following decision:  
[Give details, including the nature of any conditions sought]

Grant the resource application consents or  
The Regional Council apply to the Government  
that the application go to the Environment  
Court forthwith without a Regional Council hearing

5. I do wish to be heard in support of my submission.  
~~I do not wish to be heard in support of my submission.~~
