

THE WEST COAST REGIONAL COUNCIL

MEDIA RELEASE – 31 March 2022

Increased subsidy for Total Mobility clients

Total Mobility subsidies will increase for a three month period from Friday, 1 April 2022. Total Mobility clients will get a 50% discount on their normal subsidised fare, the amount of subsidy available will continue to be capped as per normal scheme rules.

Clients using these services will not have to do anything, the discount will be automatically taken off when they pay for their ride.

The subsidy will run until 30 June and will be funded by Waka Kotahi, NZ Transport Agency.

More information about the Total Mobility scheme across the West Coast is available at www.wcrc.govt.nz and search “Total Mobility”.
