MEDIA RELEASE – 8 June 2023

Te Tai o Poutini Plan Summary of Submission documents updated

The Summary of Submissions received on the Te Tai o Poutini A Combined District Plan for the West Coast, has now been updated. Corrections included omissions made during the collation of the Te Tai o Poutini Plan Summary of Submissions and changes to wording and lay out due to submitter preferences. These changes have now been made and the summary documents updated by the TTPP team.

The corrected summaries are now available to view on the TTPP website: tpp.nz/further-submissions and an errata table outlining the changes that were made has also been included for clarification.

TTPP Committee Chair Rex Williams says the submission numbers will not be affected by the updates and further submissions are invited up until 5pm on Friday, 30 June 2023. If you need help with the further submission process, get in touch with the team.

“If you have already made a further submission, we wish to thank you for your time. There is no need to resubmit a submission. All submissions and further submissions that have already been lodged will remain in the submission process.”

After the closing date for further submissions, the next step for TTPP will be advising submitters when the Hearing of Submissions are due to begin. Hearings will be held by plan provisions over an 18 month period and submitters will be contacted to discuss the hearing arrangements.
