BULLER

CONSERVATION GROUP
INCORPORATED

We represent a relevant aspect of the public interest
Our interest in the proposed plan is greater than that which the general public has
We could not gain an advantage in trade competition through this submission

A handwritten signature in blue ink, appearing to be 'Frida Inta'.

On behalf of Buller Conservation Group

19th November 2016

We wish to be heard in support of our submission and would be prepared to speak jointly with other submitters of similar submission.

|---------|---------|--|
| 3.8A | support | Protecting the natural character of the coast should predominate over resource extraction. |
| 12.184A | support | We need better protection of the coast's public amenity values. Vehicles on beaches need to be restricted. |
