Dear Alyce,

I am writing in relation to the Proposed Regional Land and Water Plan, Plan Change 1. Specifically, the recommendations made in the December 2018 Section 42A Staff Recommending Report in relation to the Schedule 2 Wetland Boundary Review Report. Unfortunately, we will be away at the time of the hearing. Therefore, please accept our written submission.

Our submission concerns Wetland: PUNP001 Barrytown Flats, Maher Swamp.

We support the recommendation made in the December 2018 Section 42A Staff Recommending Report for the above proposed Wetland.

Regards,

George and Caryl Coates
