The West Coast Regional Council welcomes the opportunity to make a submission on the West Coast Te Tai o Poutini Conservation Management Strategy 2010 (CMS) amendments.

The West Coast Regional Council supports the proposed amendments to the West Coast Te Tai o Poutini Conservation Management Strategy 2010 to ensure the Paparoa National Park Management Plan is consistent with the Strategy. The proposed changes help to enhance the social and cultural wellbeing of the West Coast community by providing for aircraft access, and activities such as mountain biking, walking and controlled competitive events.

The Council does not wish to be heard at the hearing.
