### **Kawatiri Farm erosion repair tender awarded**

Contractors, Avery Bros Ltd, have been awarded the tender to undertake the erosion repair work on the Kawatiri Farm erosion repair.

Damaged in the flood of July 2021, the work undertaken will top-up an existing rock wall and rebuild eroded sections of this part of the riverbank.

Work is anticipated to commence 1 December 2022 and take approximately 8 weeks to be completed, rivers flows and weather permitting.
