

THE WEST COAST REGIONAL COUNCIL

MEDIA RELEASE – 18 May 2023

Council Quarries Open for Business

Operations have recommenced at two key Regional Council quarries – Camelback and Inchbonnie Quarries.

Rosco Contractors LTD are the operations and management contractor for these two sites.

While the quarries supply rating districts with rock to maintain river and coastal erosion protection works, there is also the ability for private sales of rock to individuals or companies.

Rock purchases can be arranged by contacting Council's Quarry Manager, Keri Harrison at keri.harrison@wrc.govt.nz.
