

## **NATIONAL DIRECTION ADDED TO THE REGIONAL LAND AND WATER PLAN**

### **National Policy Statement for Freshwater Management 2020 (NPSFM)**

Part 1 Preliminary provision 1.7(1) of the NPSFM requires that one objective and two policies contained in the NPSFM must be added to regional plans without using the public submission process in Schedule 1 of the Resource Management Act 1991 (the RMA).

The West Coast Regional Council gives notice that under Section 55(2A) of the RMA, the following NPSFM Implementation Requirements are added to the Regional Land and Water Plan (the Plan):

- Clause 3.22(1) (Natural inland wetlands, as Policy 6.3.6 in the Plan)
- Clause 3.24(1) (Rivers, as Policy 7.3.8A in the Plan)
- Clause 3.26(1) (Fish passage, as Objective 5.2.2 in the Plan).

Copies of the changes to the Land and Water Plan can be viewed at the:
